

Donating Stock

Donating stock can be one of the most tax-advantaged ways for donors to support Faith, Hope, and Love Global Ministries (FHLGM). FHLGM was incorporated as a Minnesota nonprofit organization and has received tax-exempt 501(c)(3) status from the IRS. Under current tax laws, when donors give appreciated stock, they generally pay no capital gains on the appreciation yet receive a tax deduction on the full current value of the gift. This can mean significant tax savings for the contributor.

Although the process is not complicated, it is best to consult with your financial planner or tax advisor to confirm any tax benefits you may receive from your donation of stock.

If you will be gifting stock to FHLGM, please mail us at the address below or contact Claire Kellner (952) 465-7202, claire.kellner@fhlglobal.org with any further questions.
